The Amherst Regional Public Schools Friends of Performing Arts (FPA) is a 501(c)3 nonprofit

organization of parents, guardians, and community members committed to providing high-quality education in the performing arts at Amherst Regional Public Schools. We believe that all students should experience the power of the performing arts. In partnership with the ARPS Performing Arts program directors and teachers, our goal is to provide financial and logistical support to, and advocate for, continued investment in our school programs.

We would like to invite you to sponsor our ARPS FPA events!

Business Sponsorship puts your organization's name on the paper programs handed out at the many school performance nights this year, and your logo on the FPA website (<http://amherstfpa.org/sponsors/>)
